

Q3 2026

Referral Activity Summary Report

Have you referred any work lately or received any inbound referrals in recent months? Do you have any success stories or testimonials from working together with others? If so, we'd love to hear about them and help promote your achievements!

Remember, one of the most effective ways to receive inbound referrals and new opportunities is by showing you are actively referring to your fellow members.

You can submit your referrals by emailing referrals@irglobal.com, through your member area, or by reaching out to your Client Manager, who will be happy to assist.

This report provides a snapshot of the referrals reported to IR Global for this quarter. To maintain client confidentiality, no specific referral details are included.
